The City of Hartford is soliciting proposals for a comprehensive Housing Market Study and Needs Analysis. The selected consultant will provide housing policy recommendations and strategies utilizing data related to the conditions, challenges, and opportunities in the city's housing market(s). The results of this analysis will help city administrators, stakeholders and community members develop a meaningful sense of the housing market, as well as understanding key housing issues that may exist in the city's downtown and neighborhoods. Respondents are encouraged to draft a response and final report with cognizance toward the city's stated goals contained in reports and objectives contained herein.
